NETWORKING

The dedicated high-profile networking programme enables Partners, Sponsors, Exhibitors, Speakers, Delegates, Attendees and Media Partners to search, connect and meet with new and existing business contacts on-site at the Americas Energy Summit & Exhibition.

- The system is user-friendly, allowing a focused and targeted approach to meeting high-profile prospective partners.
- You will be sent email and push notifications to ensure your meeting takes place on time.
- You can share documents, add notes, ratings, tags and export leads.

HOW TO NETWORK

On the home page of the event, you can access the **Speakers** and **Attendee** lists and identify people of interest, based on the permission hierarchy. Do not hesitate to contact them through the platform to network and schedule meetings.

If you see time slots appearing on people's profiles, it means that the organiser has allowed you to schedule meetings based on your badge type.

Ensure to book your meetings before the event with people of your choice before all their slots are booked.

You can manage your own availability from the **My Event** section of the platform.

HOW TO MAKE A CONNECTION REQUEST

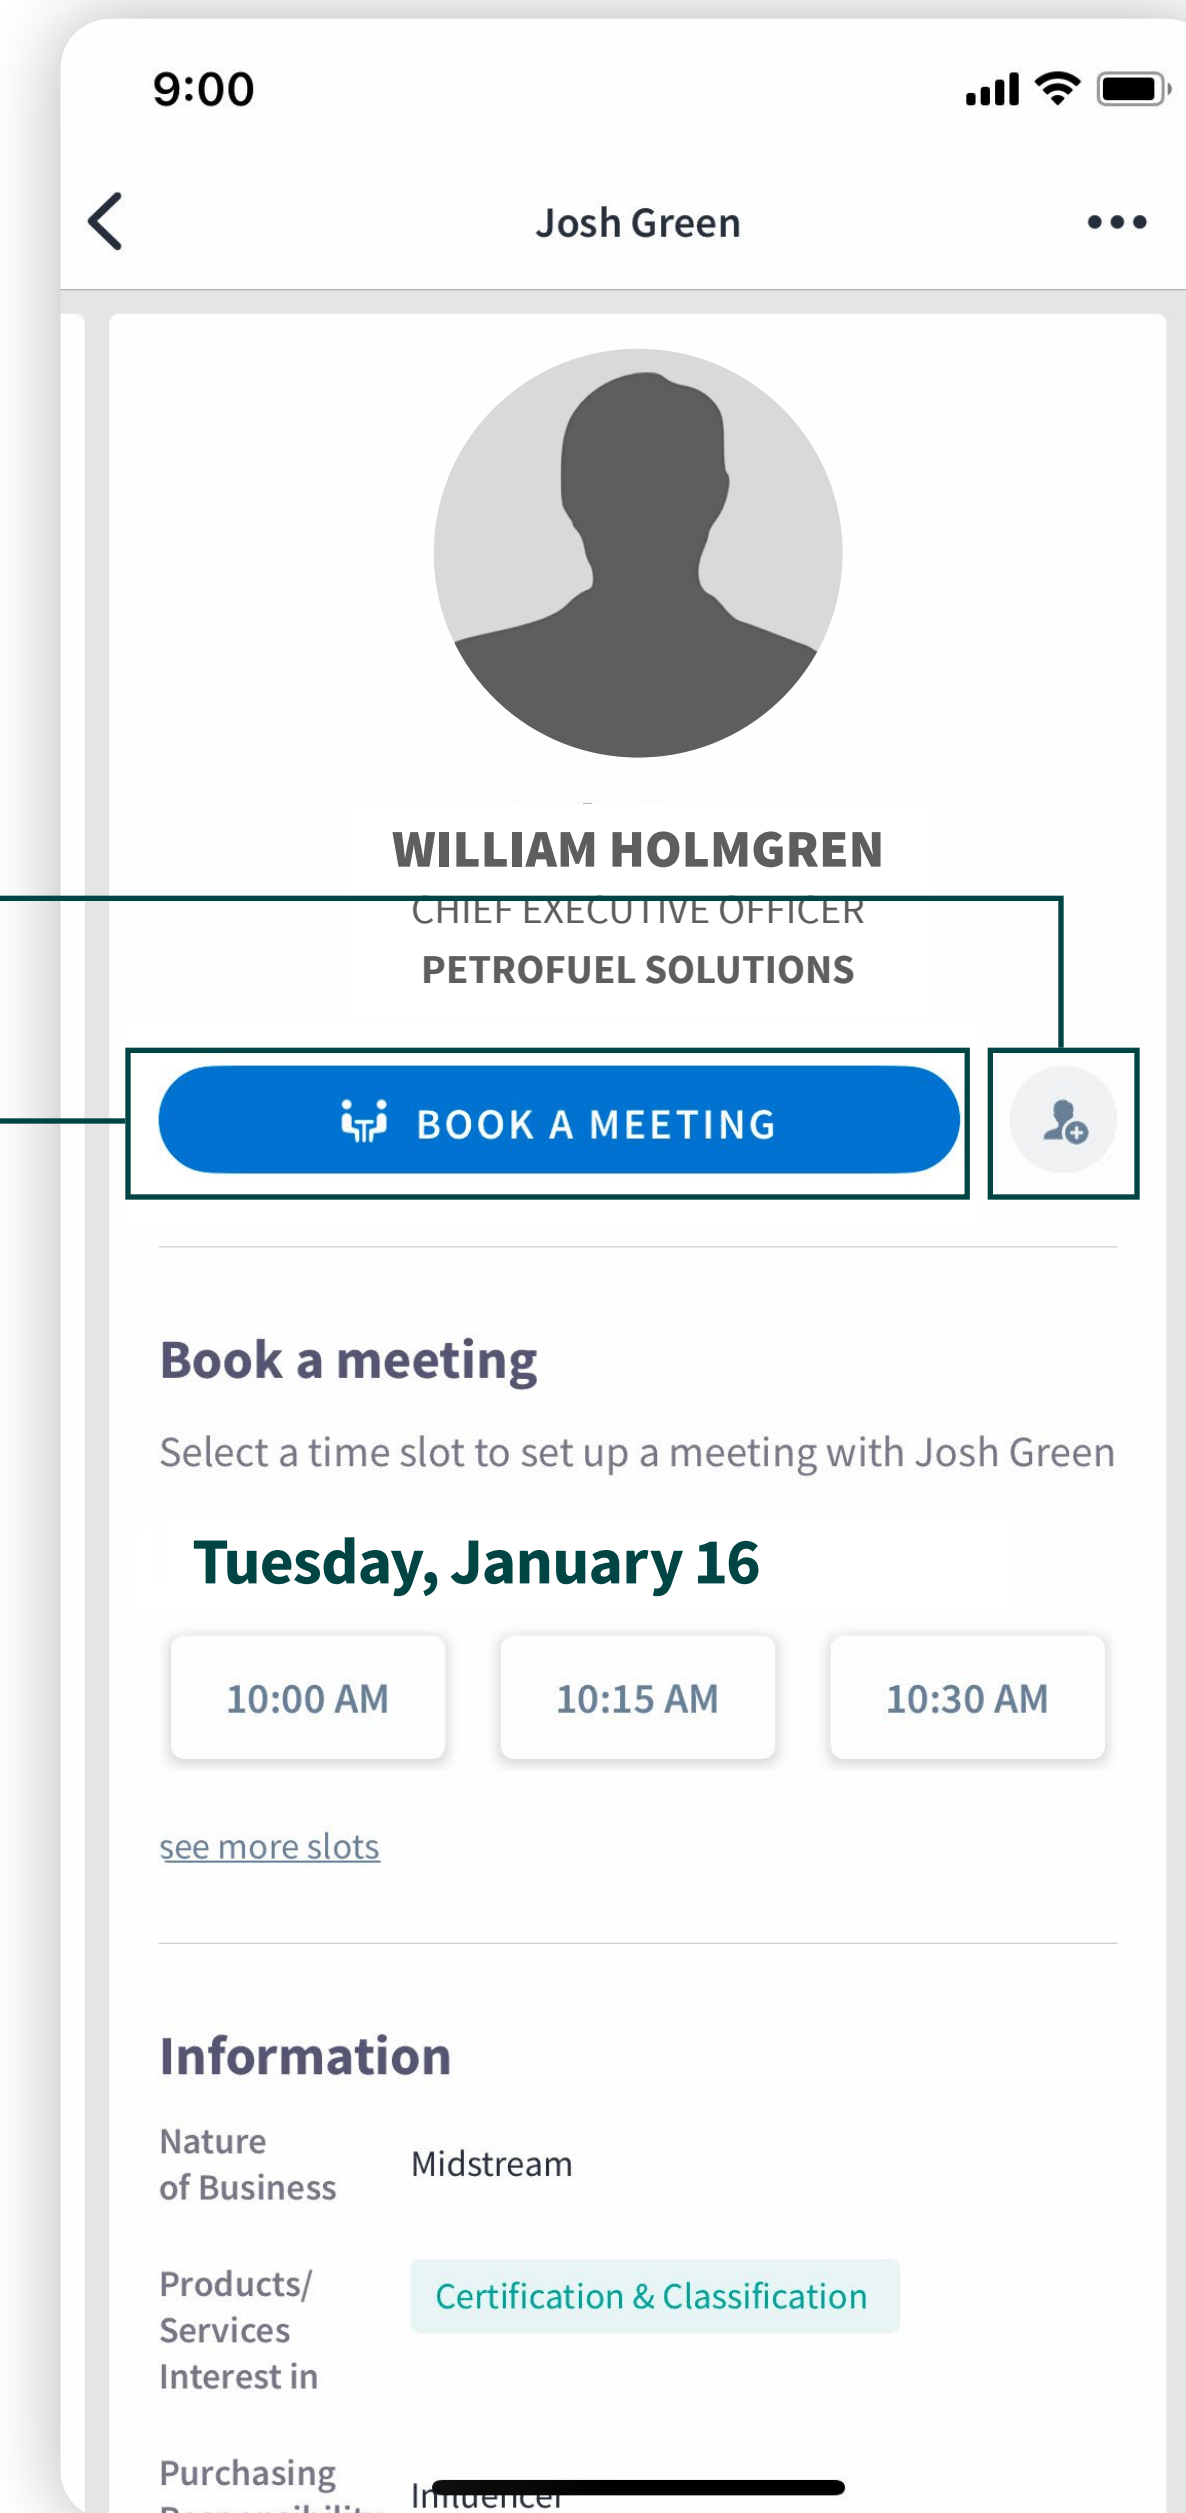

To send a connection request to an attendee, go to their profile (via any list of participants) and click on **SEND CONNECTION REQUEST**.

Tip: We encourage you to write a message before sending your connection request to introduce yourself and explain the reason for the connection.

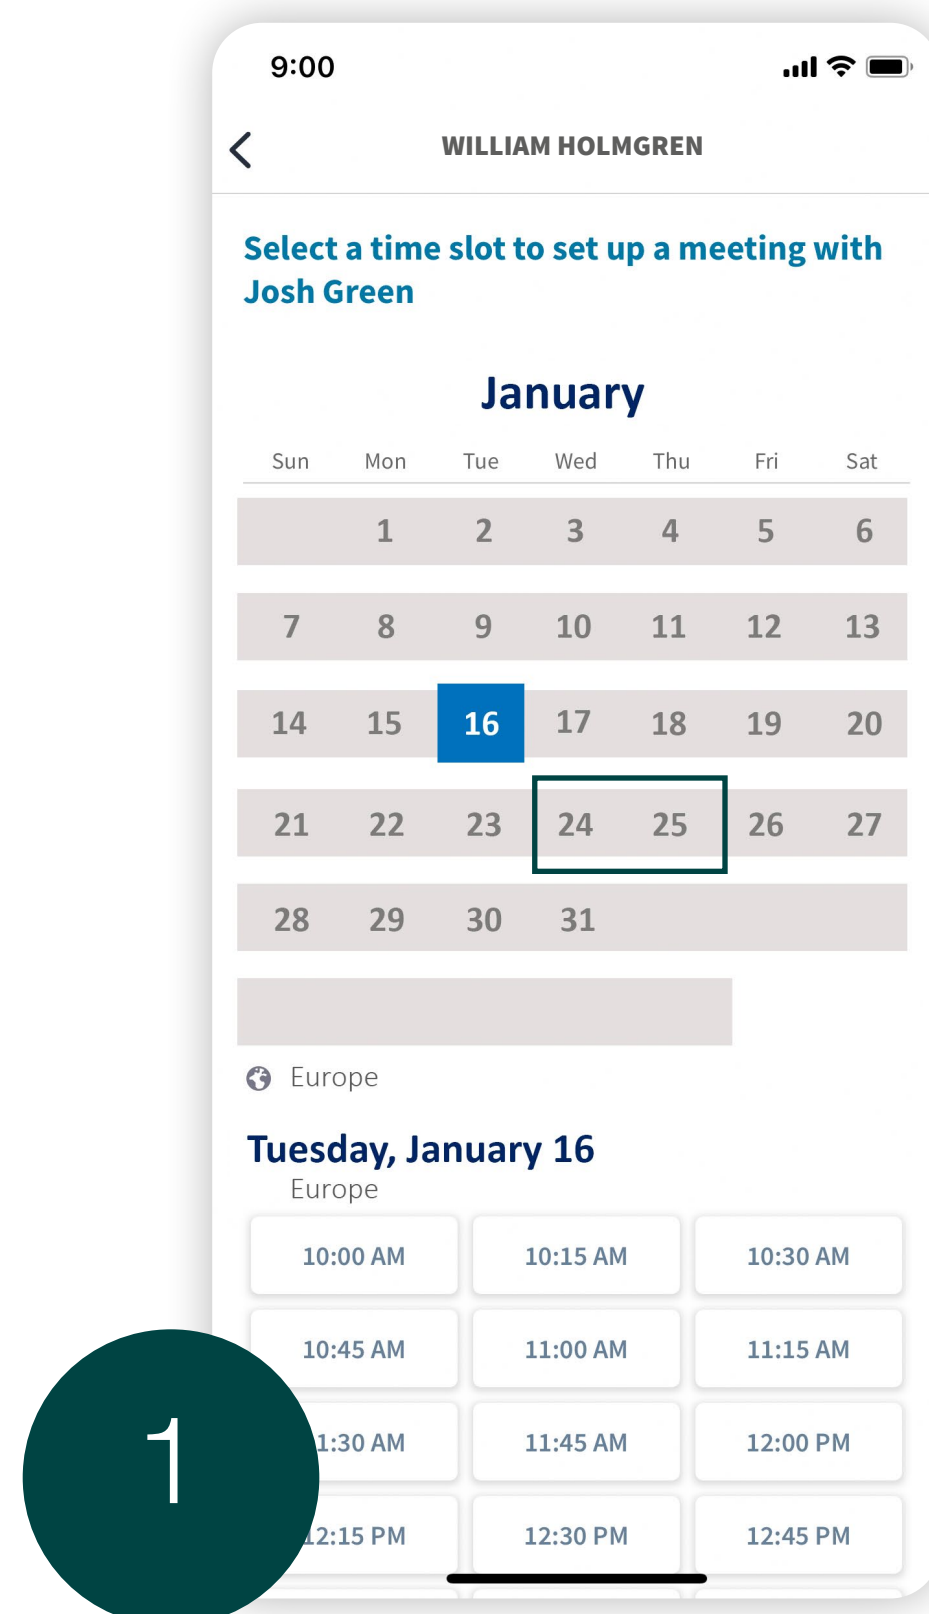

You will be able to find all the people you have been in contact with during the event in the **My Event** button, **My Networking** tab.

HOW TO REQUEST A MEETING

- Step 1:** Go to a person’s profile by going to the list of Delegates, Speakers, Exhibitors or a Sponsor’s profile.
